“Sharp-edged, driving, metallic chording, stinging single notes, and the seemingly effortless ability to move back and forth between the two modes.”

-Dan McClenaghan, All About Jazz

“Corban is a no-nonsense player who can manage blistering chops without losing an in-the-pocket relaxed feel.”

-John Barron, The Jazz Word

Corban Nation is the third CD I have recorded with the Aperturistic Trio: James Weidman, Harvie S, Steve Williams. This time we were also joined by saxophonist, Steve Slagle, for three tunes. The energy this group generates on this recording is akin to capturing lightning in a bottle!
